MORNING WORSHIP SERVICE

"Two skilled historians give clear voice to the
"lost apostles" who were silenced not only by
the church leadership but also through the
passing of time. In this powerfully researched
volume, the reader will hear these early
martyrs speak to us through their words and
actions regarding questioning authority, the
nature of apostasy and specially personal
regret. In good time this book will become
as memorable as its message. This is an out-
standing read!"

—Mark A. Scherer, World Church Historian, Commu-
nity of Christ, Professor of History, Gonzaga Un-
iversity, and author of the multivolume church
history, Journey of a People
